### BLOOMFIELD BRIEF NOTES.

A fight occurred on Bloomfield avenue  
Saturday night, between J. Scanlon and J.  
Donagan.

The hydrant which occupied an ob-  
jectionable position on Broad street side-  
walk is removed.

Mr. William C. Carl has returned from  
his summer trip, and is now ready to re-  
sume instruction on piano-forte and organ.

Mrs. Wm. Ashley has returned from  
Raleigh, N. C., where she went three  
months ago for the benefit of her health,  
very much improved.

The people of Irvington, like some of  
our townsmen deplore the loss of fine  
old elm trees, made necessary by the car-  
rying out of street improvements.

Superintendent Reardon has issued an  
order that no hacks be allowed to re-  
main near the passenger stations at any  
point on the Morris & Essex division.

Mrs. F. W. Bennett has returned from  
Cooperstown, N. Y., where she has  
been spending a few weeks. She will at  
once resume her duties as teacher of  
music.

Mr. C. Fritz and Miss Ann Brinkman  
were married last week, by Rev. E.  
Ehssling. The ceremony took place at  
the residence of the bride's parents, on  
Bellevue avenue.

Bloomfield fire department was called  
out by an alarm of fire on Thursday after-  
noon. A slight fire occurred at Martin's  
carpenter shop, on Farrand street, which  
was easily extinguished by Phoenix Hose  
Co. Loss \$15.

The Arlington Cellonite Company,  
whose works were recently destroyed by  
an explosion, are about to rebuild in Ar-  
lington. They propose to carry on the  
dangerous part of the manufacturing in an  
isolated building on the meadows.

Uncle Tom's troupe with their brass  
band, pet pony, trained donkey and edu-  
cated dogs paraded the streets on Wed-  
nesday afternoon. In the evening a  
double extra representation of the his-  
torical play was given in Library Hall.  
The hall was tolerably well filled through-  
out, especially the gallery.

Frederick, Wallace and Milton Cam-  
mus, James Cullen, Thos. Owens, John  
Ferguson, Joe Wiegall, and two other  
Bloomfield men went over to Watessing  
on Labor Day, and inflicted an overwhelm-  
ing defeat on the Active Club. The Bloom-  
field boys are deserving of great credit for  
the good nature and sociability manifested  
throughout the game.

Dr. P. Simons, E. M. Cadmus, H. H.  
Conkles, J. A. Oakes, F. M. Konnel, G.  
Brunner, J. Van Winkle, P. Apper and G.  
L. Van Winkle, who constitute the base  
ball club connected with the Y. M. C. A.,  
will play at Newark last Saturday afternoon  
and play a game with the Knickerbocker  
club of Newark, on the Frelinghuysen  
grounds. The Bloomfield boys were de-  
feated after a close and exciting game,  
the score being 8 to 7.

Mr. Editor: A couple of weeks ago  
an article appeared in your worthy paper,  
respecting weeds growing along the side-  
walks. Since that time some, in different  
parts of our beautiful village, have been  
cut down, but in other parts they are still  
standing, particularly at the southern  
end of Spruce street, where they are al-  
ready almost cover the sidewalk. Do  
they make that portion of Bloomfield  
unattractive? Who will answer?

FOOTMAN.

In anticipation of future development,  
the Montclair Water Company have in-  
scribed on the shut-off gates sunk in the  
sidewalk "City Water." The residents  
have commenced making connections with  
the mains. The pioneer in this direction  
was Mr. William M. Doremus, on Fuller-  
ton avenue. The reservoir will be located  
on the property known as the Bigelow  
tract at the head of Watchung avenue.  
It will be forty-two feet in diameter, thirty  
feet in depth and have a storage capacity  
of 100,000 gallons. Its elevation above  
the water will be 642 feet.

Mr. Thos. Taylor, an old and respect-  
able citizen, died at his residence on Bloom-  
field avenue, on Wednesday, the 7th inst.,  
at 8.30 A. M. On Wednesday of the pre-  
vious week while engaged in working in  
his garden, Mr. Taylor was suddenly seized  
with a paralytic stroke. He was carried  
into the house in an unconscious state from  
which he never wholly recovered. Mr.  
Taylor was in his 74th year. He was  
born in 1813 in the old Cadmus homestead  
on Bellevue avenue. He lived in New  
York City many years, where he was a

member of the fire department. The fun-  
eral will take place at the residence at 3  
P. M. this afternoon.

Miss Henrietta Northall will be at her  
school rooms in Bloomfield from nine to  
twelve A. M. Mondays and Wednesdays  
for the convenience of those who would  
like to make arrangements to enter their  
children in that school. The primary  
class in Glen Ridge will be opened on the  
northwest corner of Ridgewood and  
Bloomfield avenues. It is designed for  
little boys and girls, whose parents think  
the distance too great to send them to the  
school in Bloomfield. The children will  
be under the care of competent teachers.  
The kindergarten taught those desiring it.  
Miss Northall will remain at home, Wind-  
sor Place near Ridgewood avenue, on  
Tuesdays and Fridays, from nine until  
twelve in the morning.

John Pokopek and John Zelcooski,  
two Poles, occupied a room together in  
John Kraegskis' boarding-house on  
Glenwood avenue. Pokopek, who is an  
industrious and saving man, recently pur-  
chased a new trunk, in which to keep his  
valuables. Zelcooski was so much pleased  
with its appearance, that he immediately  
went and purchased its counterpart. Both  
trunks could be opened with the same key.  
While Pokopek was celebrating Labor  
Day, Zelcooski busied himself in over-  
hauling the contents of his trunk. Scarcely  
stepped away in one corner he found a  
small package containing \$70, the result  
of Pokopek's two years' saving. He ap-  
propriated this and immediately left town.  
When Pokopek returned and discovered  
his loss, he informed his friends who went  
at once to Justice Hall and got out a war-  
rant. They also went to the several po-  
lice precincts of Newark, and informed  
them of the circumstance. No traces of  
Zelcooski were discovered.

### Township Committee.

The Town Committee held their regular  
meeting on Wednesday evening, the 7th  
inst. Present Thos. Oakes, chairman,  
Messrs. Dodd, Freeman and Bouson.

Wm. H. V. Reimer, township engineer,  
presented profile maps of Hillside and  
Bellevue avenues. The committee ex-  
amined the maps and decided to visit the  
respective places on Saturday morning,  
or the purpose of inspection.

It was decided to hold a special meeting  
on Saturday night, to take action in the  
matter.

A bill presented by Thos. Baxter, clerk  
of the Health Board, for expenses incurred  
in burying dead animals, called forth con-  
siderable discussion, it being the opinion  
of the committee that the owners of such  
animals ought to be compelled to bury them.

The clerk stated that the horse referred  
to in the bill, was one that belonged to  
Clayton & Huff, of Newark. It was  
drowned during the freshet in July. The  
Board of Health notified Messrs.  
Clayton & Huff to remove the carcass.  
They sent up a man who followed that  
line of business, but when he saw that the  
body was considerably decomposed, he  
refused to take it. The residents of the  
neighborhood were complaining of the  
stench. The Board then hired Mr. Bruett  
to bury the carcass. The job being a very  
disagreeable one Mr. Bruett charged \$10.  
Several attempts were made to collect the  
money from Messrs. Clayton & Huff. They  
objected to paying such a large amount,  
stating several reasons. The Board finally  
accepted \$5 in preference to going to law  
over the matter.

A communication was received from the  
clerk of Montville Township, in regard to  
the poor of Bloomfield Township, for ex-  
penses incurred for medical attendance and  
burial of Oscar Jacobus of Montville, who  
died in Bloomfield. The clerk was in-  
structed to furnish the required in forma-  
tion.

The new culvert under Broad street  
near James street, the M. & G. L. railroad  
bridge over Bellevue avenue, the danger-  
ous condition of the Glenwood avenue and  
Williamson street bridges, also that over  
Orange street at the organ factories, to-  
gether with several other matters, were  
discussed.

### School Meeting.

A meeting of the school trustees was  
held in the trustees' room, Central school  
building, on Tuesday evening.

The contract for coal to be used in  
school buildings, was awarded to Martin  
Hummel, whose bid was \$5.25 per ton.  
One hundred tons will be required.

Miss Sara Deas was appointed teacher  
in Berkeley Primary school in place of  
Miss Laura M. Sidman, resigned.

The Clerk of the Board was instructed  
to offer a reward of \$10 for information,  
leading to the arrest of the persons who  
maliciously broke the glass in the windows  
of Brookside school a few days ago.

The Clerk was also instructed to offer a  
permanent reward of \$10 for information  
that would lead to the arrest of persons  
maliciously injuring school property at  
any time.

It was reported to the trustees that a  
portion of the ceiling under the stairway  
in the entrance hall had fallen. The  
jarring on the stairs was assumed to be  
the cause of it.

### Y. M. C. A. Notes.

The Association ball team played the  
Y. M. C. A. Knickerbockers of Newark  
last Saturday afternoon. It was by far  
the best game of the season, resulting in  
a score of 8 to 7 in favor of Newark. This  
afternoon the home Association will cross  
bats with the Orange Y. M. C. A. club, on

the ball grounds near the plaster mill,  
corner Glenwood avenue and Springdale  
street, East Orange.

The first Sunday meeting for men  
took place last Sunday afternoon and was  
largely attended. The meeting was led by  
secretary Harter, and a portion of the M.  
E. church choir of Watessing rendered  
three beautiful pieces of music. John G.  
Broughton will lead this Sunday afternoon  
and there will be good music. The ser-  
vice will be held in the hall from 4 to 5  
o'clock every Sunday hereafter. All men  
invited.

John Sanderson will lead the service  
at Hope Chapel, and Dr. Harry Richards  
at Montgomery school-house this Sunday  
evening.

The Woman's Auxiliary held its regu-  
lar monthly meeting last Monday after-  
noon.

On Friday evening next, the 16th, in  
connection with the regular monthly busi-  
ness meeting, an entertainment will also  
take place. The programme will proba-  
bly consist of music and a short address,  
after which refreshments will be served.  
Admission will be by presenting mem-  
bership ticket at door. All the members of  
the Association and Woman's Auxiliary  
are included in the invitation.

### Church Notes.

Rev. Henry Nelson, D. D., of Phila-  
delphia, will preach in the First Presby-  
terian church next Sunday. Dr. Nelson  
is editor of the well known magazine, The  
Church at Home and Abroad.

The German Presbyterian church will  
be reopened on Sunday, the 18th.

It is expected that Westminster  
church will be reopened on Sunday even-  
ing the 18th.

Rev. E. D. Simons, of the Baptist  
church will continue his discourse on the  
subject of "Divine Truth as illustrated in  
the Life of Wesley."

The congregation of St. Paul's church  
at Watessing will undoubtedly feel high-  
ly gratified with the appearance of their  
church on the occasion of its reopening to-  
morrow. The interior wood work has all  
been repainted. The chancel rail, baptis-  
mal font, reading stand and pastor's chair  
have all been varnished. The seats have  
been remodeled, stained, varnished, and  
cushioned. The walls have been painted and  
freecosed. Mottos executed in elegant  
designs adorn the walls. Ornamental gas  
fixtures have been put in. The floor,  
benches and platform have all been newly  
carpeted. Mr. William Brown has re-  
paired and tuned the organ. The paint-  
ing and varnishing was done by Mr. Fred-  
erick Aucutt, recently from Philadelphia,  
where he has had much experience in this  
line of work. The carpenter work was  
done by Messrs. Wilde and Albinson. J. H.  
Taylor, of Bloomfield, put in the gas  
fixtures.

D. H. Patty, a prominent nurseryman  
in Geneva, N. Y., has written us inquiring  
where he can get a good reliable man to solicit orders.  
He wishes men to canvass and take orders for  
trees, shrubs and vines for fall delivery and  
promises steady employment to good salesmen.  
If any of our readers desire a good position we  
would advise them to write to Mr. Patty for full  
particulars. Address with reference,

## Good Roads.

The Road is the physical sign or symbol by which you will best under-  
stand any age or people; if they have no roads they are savages; for the road  
is the creation of man, and a type of civilized society. If you wish to know  
whether society is stagnant, scholastic, religion a dead formality, you may  
learn something by going into "universities;" something also by the work  
that is doing on cathedrals and churches or in them both quite as much by  
looking at the roads. For if there is any motion in society the road, which is  
the symbol of motion, will indicate the facts, as roads are the symbols of  
progress.—Rutherford News.
